Re: Application number 10/696,147

---

Some wording in the description of the invention section have been altered and added in order to better explain the details of the invention, without any substantial change or addition to the body and the functionality of the invention.

Very slight wording changes were made in claims 1-42 to correct grammar and syntax errors.

Claims 43-50 have been removed.

New claims 43-48 have been added
